ADDITIONAL COSTS

Additional Item	Details	Cost
Domain name	Domain registration / renewal for the first 2 months is handled and paid by the developer. Thereafter, Jason Kebonang is responsible for ongoing domain costs.	Covered by developer (first 2 months)
Hosting	Hosting / deployment for the first 2 months is handled and paid by the developer. Thereafter, Jason Kebonang is responsible for ongoing hosting costs unless otherwise agreed.	Covered by developer (first 2 months)

TERMS

- The P 2,280.00 service fee (60%) is due upfront and is required before work proceeds.
- The remaining P 1,520.00 balance (40%) is due once the website has been delivered for review.
- Domain and hosting for the first 2 months are handled and paid by the developer. After that period, Jason Kebonang is responsible for ongoing domain and hosting costs so the website can remain online.
- Jason Kebonang is responsible for providing the developer with all media resources and content required for the website, including photographs, logos, event details, text, and other materials to be included.
- All media resources and content supplied should be provided in suitable, usable formats and in sufficient quality for implementation.
- Total development payable: P 3,800.00. Domain and hosting for the first 2 months are included as developer-covered costs; thereafter they are additional.

Thank you for your business.
